BACKGROUND COLOR

Solid color backgrounds are ideal and suggested colors are provided herein. Other colors may be used to match the overall design theme. When the design calls for the logo to be overlaid on a photo, please ensure the logo stands out clearly from the background.

MINIMUM SPACING

The minimum spacing around the entire logo must be at least equal to the height of the letter "B" as illustrated below.

ADJUSTMENTS

Please ensure the logo is always scaled proportionally. This can be done by holding down shift while dragging the corners. No elements of the logo should be adjusted, modified or removed.

FILE SELECTION

Please select the correct file for your background shade and usage:

- on *black* for dark backgrounds
- on *white* for light backgrounds
- RGB* for digital use
- CMYK* for print use
